China Small Companies Fund

30 June 2018

Overall Morningstar Rating™ (30/6/18)*

Matthews Asia

Investment involves risk. It is possible to lose the principal capital of your investment. | The Fund invests primarily in Mainland China-related companies. Investments in such companies may be subject to increased risks such as political, tax, economic, market, liquidity, custody and settlement, currency, legal and regulatory risks. | The Fund invests primarily in equity securities, which may result in increased volatility. | The Fund may invest in smaller companies, which are likely to carry higher risks than larger companies. | The Fund does not hedge to attempt to offset certain market risks. This may expose the Fund to the risk of full losses resulting from a decline in a security's value. | Investors should not invest in the Fund solely based on the information in this material alone. Please contact Matthews Global Investors (Hong Kong) Limited for further details of the risk factors.

Why Invest in the Matthews China Small Companies Fund?

1. China's Small Company Universe is Expanding for Foreign Investors

The investable universe of China small caps has expanded five-fold in the past decade, and most are not widely known or covered by sell-side analysts.

Includes all companies domiciled in Hong Kong, Macau and mainland China with market cap of US\$50MN to US\$3BN. 2007 figures do not include companies listed on the Shanghai or Shenzhen exchanges as they were generally not available to foreign investors at that time.

MATTHEWS ASIA CHINA SMALL COMPANIES FUND

Strategy Highlights

- ✿ **China's smaller companies:**
 - are poised to benefit from China's shift toward a consumption-driven market-based "new economy" that is less capital intensive
 - can drive strong return on invested capital
- ✿ **Smaller companies provide opportunities:**
 - for the potential for higher growth at lower valuations as they are less well-known
 - the historical volatility of small-cap stocks* in China has been lower than the overall China market† over the long run
- ✿ **Small companies in China may lack access to capital and, thus, should be more:**
 - competitive
 - innovative
 - capital-efficient than their larger peers to survive and thrive
- ✿ **Rigorous due diligence**
 - Our investment team maintains a rigorous due diligence process, including on-the-ground assessments of both business and management team quality
